**INDUSTRY POSITION**

Harlan has continuously positioned itself as the top provider in the competitive construction landscape for each of the distinct areas of business that it chooses to excel in: electrical construction, service, industrial and low-voltage and technology throughout greater Tennessee and beyond.

Harlan is staffed with the highest degree of professional expertise that regularly challenges itself to some of the most complex and demanding projects available in the market today. At the same time Harlan delivers a personal relationship to every project and customer no matter the size or scope.

**EXPERIENCE**

With each member of the team bringing years of unique experience to bear, Harlan is able to attract and retain the best in the business. After careful review, we are confident that you will be impressed with the breadth and depth of know-how that is available when working with Harlan. We are able to bring that talent and passion to every project we execute.
